

Standard Calendar – Lake District - 2010

As you will see from the 2 images below, there are 4 areas for you to print your details/message.

Text Areas 1 & 2 will appear on each calendar month whereas Text Areas 3 & 4 are for the cover page which has a montage of the 12 images.

Area 1 is ideal for your logo, slogan or personal message. Area 2 is the ideal place for your web address or contact details.

Area 3 is a fairly large area where you can have your full contact details and message. Area 4 should be the same as Area 2.

Once you have created your personalised calendar then all you need to do is tell us what you what printed in the 4 Areas. You can either email: sales@calendarcase.co.uk or fax:01438 727 256 or simply call us on 01438 723 383. If you want your logo in your design then you will have to email this also. Please make sure the resolution of your logo is at least 300ppi.

After we have received your printing instructions we will then send to you, within 48 hours, a pdf proof for you to approve. Don't worry if you want to make amendments as this can be done easily. We appreciate that you want to get the printing on your calendar right so if you want to make any changes then it's no problem. Once we have your approval we will request payment, then your calendars are printed and delivered to you within 10-14 days.

Please note, the cases, which are included in the price, are packaged separately from the actual calendar inserts.

If you have any questions at all then please get in touch.
